TANGLEWOOD
HEALTH & REHABILITATION

**DISCOVER THE
DIFFERENCE**

SPECIALIZED CARE. ADVANCED RECOVERY. TOTAL WELLNESS.

Whether you're recovering from surgery, regaining your speech and mobility following an illness, or coping with a chronic condition, our staff delivers the specialized care needed.

Licensed by Medicare and Medicaid, Tanglewood is well equipped to provide both short-term and long-term care. We offer shared or private rooms with bathroom.

Our ultimate goal is the successful rehabilitation of self-management of your condition. And because recovery doesn't end at discharge, we help you to connect with community resources and specialized equipment to support your continued functional recovery.

TYPES OF THERAPY

- **Occupational Therapy** – Services provided to help you return to usual activities such as bathing, preparing meals, and housekeeping
- **Physical Therapy** – Treatment to improve mobility, functional ability, quality of life and movement potential
- **Speech-Language Pathology Services** – Treatment in disorders of communication, cognition and swallowing

We provide therapy seven days a week up to three hours a day.
